

## **The 3rd Congress of Asian Association of Urban and Regional Studies (AAURS)**

### **Theme**

**Survival City and Region: Risk or Sustainable Planning?**

**The Tide Hotel, Chonburi, Thailand**

**December 11-12, 2011 (Tentative)**

### **Organized by:**

**Thai City Planners Society (TCPS) and**

**Asian Association of Urban and Regional Studies (AAURS)**

AAURS was founded in 2007, Asian Association of Urban and Regional Studies (AAURS) is a professional organization for cooperation and development of all its member countries. AAURS is a non-profit, non-political organization which aims to serve as an organization for all member associations to share and exchange ideas, to contribute to academic debates and to further pursue synergies through collaboration to promote mutual understanding and development. The Association's main objective is to increase exchange of information and experience among its members and to expand access to region and city development around world. East Asian countries are leading countries which have played their important roles in the global economic development for the last half a century. AAURS makes an effort to promote innovative research and alternative perspectives on issues of urban and regional studies.

**OBJECTIVES:** The key objectives of the conference are:

- To raise the awareness and appreciation of ideas and research experience in the field of Urban and Regional Planning the scholars of Thai City Planners Society and Asian countries
